

## Tips for Finding Volunteer Opportunities

Go to [volunteer.connectcentraloregon.org](http://volunteer.connectcentraloregon.org) and Click “VOLUNTEER NOW”

Search for volunteer opportunities by “**Opportunities**” or by “**Organizations**”

**Opportunities:** You will automatically land in the Opportunities page, with hundreds of volunteer opportunities posted by our partner organizations. You can focus your search by selecting filters, including:

- Age of the volunteer – for children and youth
- Distance or County – for location in Central Oregon
- Date – to find an opportunity on a specific date when you are free to volunteer
- Interest – to find opportunities that match your interests.

Click on an opportunity that interests you. If you like what you learn about the opportunity, click “Respond” to connect and learn more. If you do not already have a login account, the system will ask you to set one up, which is easy to do.

**Organizations:** Click “Organizations” (usually in the left-hand menu) to search by organization. This is a list of the 180+ Central Oregon organizations that partner with us to offer volunteer opportunities. You can search this list by:

- Cause – to find organizations serving causes that interest you
- Distance or County – to find organizations by location
- Name – type in any word in an organization’s name to find it.

When you are looking at an organization, you will find their specific volunteer opportunities listed under their organization description. Open and respond to opportunities as described above.
